PRINCIPAL’S REPORT

Excursions:
It is important that all excursion notes and money is handed in BEFORE an excursion. All excursion notes will have a “hand in by” date. If, for some reason you cannot meet the hand in date, please talk to your child’s class teacher or me so that arrangements can be made for your child to attend the excursion. Permission notes and money will not be accepted on the day of an excursion.

Parent/Teacher Evening:
This Thursday 21/2/2013 we will hold a Parent/Teacher Information evening. This is a time where teachers will give general information about their class and expectations. If you would like to talk about more specific information regarding your child, please arrange a private meeting with your child’s teacher through the office. Meetings for Years 6,5,4 and 3 classes will be held at 6pm and Years 2,1 and Kindergarten will be held at 6.30pm. All meetings will be held in classrooms.

No stopping zones:
Please be aware that rangers regularly patrol the front of our school in the morning and afternoon. Please use the drop-off areas when you stop as you will be booked if you stop in the “No Stopping” zones.

School Uniforms:
It is great to see so many school uniforms being worn with pride.

Broad-brimmed bucket hats must be worn when children are in the playground. I would like to see all children representing our school on excursions or sporting events to be in full school uniform including broad-brimmed navy blue hats. All hats are now $5.

School Contributions:
Thank you to the parents who have paid school fees. If you have not paid your contribution, they are now due. The cost is $25 per child or $40 per family. These fees are directed back to your child’s education.

Head Lice:
Head lice are again causing a concern. It is important for you to regularly check your child’s hair for lice and nits (eggs). For more information please contact our office.

Medications at school:
At times children need to be given prescribed medication while they are at school. If this need arises, please contact the office before sending in the medication so that we can best meet the needs of your child. All medications need to be clearly labelled with your child’s name and class. Please give clear instructions as to when and the quantity of medication to be given. Medications and instructions need to be handed to Mrs Folkes.

Remember our school rules, SAFETY, RESPECT & RESPONSIBILITY.
