ISSUE 1 / TERM 4 7/10/2014

DATES TO REMEMBER
➢ FRIDAY 10TH OCTOBER
➢ MONDAY 13TH OCTOBER
Whole school assembly commencing at 12:15pm
Dance2bfit program commences

PRINCIPAL’S REPORT

I am very pleased to welcome students, staff, parents and community members back to a new and fresh term. Term 4 is traditionally very busy with a number of activities and excursions planned. The Dance2bfit program will commence next Monday – the program is considered a whole school activity and I anticipate that most if not all students will participate as it is part of our Physical Development, Health and Physical Education curriculum. The Dance2bfit program has obvious benefits for children’s coordination and fitness which is the reason why it is run as a whole school program to the benefit of every child. All notes and money need to be returned to school by the end of this week. Please remember that there is financial assistance available should you need it - please contact me during office hours to ensure that your child is able to attend this very beneficial program.

As part of the school planning and evaluation, I would like to invite all parents to an evaluation forum next Thursday at 9.30 a.m. – 10.30 a.m. in the school library. Morning tea will be provided – your thoughts on the areas that we are doing well in, as well as ideas and suggestions for areas that we can improve in are vital in supporting us in the journey of “continuous improvement” so please come along and contribute.

Kind regards
Melissa Day – Principal

Please ensure all notes and money are returned this week to be a part of this fun and energetic activity commencing on Monday 13th October. Notes are available from the front office. Thank you.

Tricks for encouraging kids to read
Is your child a reluctant reader? Why not try helping them find the book that goes with a movie or DVD they’ve enjoyed, or are about to see. Encouraging your child to read can help them to build their imagination as well as giving them a better vocabulary. Kids who read different types of books develop a wide range of language skills and are better placed to understand different types of texts as they progress into high school. School A to Z has lots of tips and ideas on encouraging your child to read, at http://bit.ly/HLPmB9
