PRINCIPAL’S REPORT

Our students are doing great things at and beyond school that I would like to acknowledge.

We have an outstanding group of school leaders who are excellent role models to our younger students every day as they get along in the playground and work hard in the classroom. Our bus monitors do a fabulous job reporting back those students who have earned a ‘catch me being good’ reward, our monitors take their job very seriously and help promote our high expectations for bus behaviour. We also have a group of keen gardeners who take great care of the school garden – I visited the garden last week and saw a very committed and industrious group of students.

I am also very pleased to announce that three students have been selected to receive an Inspire, Succeed, Excel Aboriginal Education Achievement Award and will be attending the awards ceremony next Monday at Batemans Bay – congratulations to Trumelong Reid, Letoyah Wellington and Tali Farrell-Wellington.

Sam Wright-Smith recently played in the Illawarra Under 13’s team at the Indoor Hockey State Titles in Tamworth with his team coming fifth overall in Division 1. Charlee Baldacchino recently attended the APDA Junior National finals for physie and dance and Peter Bowern has been selected to play in the Under 12’s Shoalhaven District Junior Cricket Representative Team. Peter recently scored a massive 62 not out hitting 7 fours and 2 sixes playing for his local team.

Beau Buckpitt and Tali Farrell-Wellington will be attending a leadership morning tea next Tuesday with Mayor Joanna Gash. Congratulations to these students and to all our students who contribute to making Culburra Public School a great school to come to every day through the big and little things that make a positive difference.

Nearly a 1/3 of our students supported the Nachos lunch special last Thursday – a great response. Please remember that the canteen is open Thursdays and Fridays until the end of the term and your support is greatly appreciated.

Our Friday assembly will be held at 9.05 a.m. in Weeks 7 (Friday 21st November) and Week 8 (Friday 28th November) due to swim scheme and 2015 school leaders speeches. Year 5 girls will be presenting their speeches on Friday 21st November and our year 5 boys will be presenting their speeches on Friday 28th November at these two morning assemblies - good luck to those year 5 students who are busily preparing their speeches.

Kind regards
Melissa Day –Principal

NO STOPPING' zone.

...
Great Australia children’s author, Mem Fox, once said: ‘Children need to hear a thousand stories before they can begin to learn to read’. Reading aloud to your child is one of the best ways to arm them with a love of literacy and a fine imagination. We’d like to think their first thousand books is only the beginning!

A big thank you to Julie, our amazing library volunteer, who has donated 30 handmade book bags for us.

Book club brochures went out this week – all orders need to be returned by next Wednesday 19th November.

Happy reading,
Mrs Robertson.

**Did you know...?**
Reduced-fat milk is recommended for children over the age of 2. This is because children over 2 years obtain enough fat from the foods in their diet and consuming full fat milk can result in excess energy consumption. Reduced-fat or 'lite' milk has the same amount of calcium and other nutrients as full fat milk. Skim milk is not recommended for children under 5 years of age.
