Our school app has arrived!! Our School now has our own Skoolbag iPhone and Android App to help us communicate more effectively with our Parent/Student community. We are asking parents to install our Skoolbag School App. To install it, just search for our school name “Culburra Public School” in either the Apple App Store, or Google Play Store. This term will be used by staff to familiarise themselves with the administrative aspects of the app and basically focussing on using the app to send out the newsletter. You will notice there is a form section that is available to complete student absences – PLEASE DO NOT USE THIS SECTION OR FORM until further notice. All absence notifications need to be completed the current way through an old-fashioned note.

Congratulations Isaiah Swindale on receiving a scholarship to the University of Wollongong’s gifted and talented program this January – congratulations.

Kind regards
Melissa Day – Principal

**LIBRARY NEWS**

We’re gearing up for stocktake in the library: A once-a-year festival that allows us to admire every book in our collection for the individuals that they are. If you have any of our precious books at home, please kindly unearth them, dust them off and return them to the library by next week. Go on. We’d hate them to miss out on the fun.

Happy reading,
Mrs Robertson.
