PRINCIPAL’S REPORT

I would like to thank all families who have returned excursion notes by the due date this is of great assistance to the overall organisation of upcoming events. It is most important for the permission note to be returned, should you require extra time to make payments or financial assistance to indicate this on the bottom of the permission note.

Kindergarten students recently attended an excursion to the Shoalhaven Zoo. I received a positive phone call from a parent attending this excursion to share how very well behaved our students were – congratulations to our Kindergarten students for representing our school with pride and to Mrs Bett for her excellent organisation of the day.

Congratulations to Kirra Pendergast on receiving a school citizenship award sponsored by Brian Muller at First National Culburra. Kirra has demonstrated outstanding leadership in her class and is most deserving of this award – well done Kirra!

The response to donating non-perishable food items to our current food drive for All Saints Nowra has been fantastic, if you are intending on making a donation please remember this Friday (7th November) will be the last day of collection – many thanks for your support.

This Wednesday the Australian National Flag will be flown at half-mast all day to acknowledge the state memorial service for the Honourable Gough Whitlam. His legacy includes Medicare, land rights, free access to university and support of the arts and culture. It is the greater access to university that has had a profound impact on my life – without it I may not have been able to attend university to train as a teacher. Australian society has lost a ‘titan’ whose contribution to our way of being is still keenly felt.

Please note that the Parent Surveys are due this Friday 7th November.
Thank you to all those parents who have already handed in their surveys.

Kind regards
Melissa Day –Principal

LIBRARY NEWS
In library lessons this term, students have been studying information literacy, with particular focus on online research skills. Building knowledge about the internet and its uses (including social media) is an important part of becoming active and engaged learners. Try ‘Googling’ a fun online book or your favourite author next time you’re online.

Happy reading,
Mrs Robertson.
