PRINCIPAL’S REPORT

Mrs Miller is at present organising our Learn to Swim that will be held in Term 4. More details closer to the date.

If you haven’t done so please hand in your child’s high school for 2015 expression of interest forms. Expressions of interests for high school 2015 should be handed in by now.

Our renovations to our roof in between the Hall and D block are well under way, however we did receive a set back with the rain that flooded the walkway and made its way into the Library foyer. Apologies for the lateness of Kidsbiz this week. Water in our server has caused a breakdown in our computer system.

The Illawarra Region Performing Ensemble will perform for our school on Monday 31st March at 11.35am. This is a free performance. Parents are welcome and encouraged to attend. This outstanding ensemble is made up of high school students from our state high schools. You will experience a show of outstanding dance, singing and dancing.

On Wednesday of week 11 this term we have organised to have a Doing Things Together day. On this day children are broken into small groups of Kindy to Year 6. The aim of this day is to allow children to make an Easter hat. The older children will be able to help the younger create their hats. We will supply some materials for the hats however, your child may bring along some special decorations to be used.

I have heard that there is a good chance that the Easter Bunny might be visiting our school on Wednesday of the last week of this term. If you child is not allowed to have small Easter chocolate eggs please contact your child’s teacher before this day.

Our school ANZAC Ceremony will be held on Friday 11th April at 10.30 am. We will hold a light morning tea after the ceremony at 11.00am. Everyone is welcome to attend. Our choir will also be singing at our local ANZAC Ceremony on Friday 25th April. All school students are welcome to attend and march.

Thank you to the parents who have paid voluntary contributions. If you have not paid your voluntary contributions they are now due. The cost is $25 per child or $40 per family. This year voluntary contributions will be directed towards a major project that will be negotiated between the P&C and staff.

The Pollywoggle
One stormy night under the silvery moon, there was a creature with golden wings, a pink and purple body and magic, made out of sparkles. Its name is a Pollywoggle, it’s the one bug that comes out after dark. One night it was looking for food, it found something shiny on the ground but she walked away.

In the morning a boy found the Pollywoggle. His mum was there too. “Can I step on it?” asked the boy. “No” said his mum. “Why ever not?” asked the boy. “Because you will have bad luck when you hurt a bug”, answered his mum. The boy thought she was telling a lie but she wasn’t.

The next day he went to school. The hurt Pollywoggle worked her magic. At school he got every answer and question wrong. His friends left him out of the game and when he got home there was barely enough food for him. In the morning he didn’t have bad luck but he never went near a bug again.
