PRINCIPAL’S REPORT

Last Wednesday we had a lot of fun participating in the National Simultaneous reading of the book “TOO MANY ELEPHANTS IN THIS HOUSE” by Ursula Dubosarsky and Andrew Joyner. This is a great way to promote the fun of reading.

In weeks 6 and 7 we will be visited by the “Life Education Van”. Greg from the van will present to the children lessons that support our PD Health and PE program. Each lesson will be informative, stimulating and engaging. Each lesson is also designed for its targeted age group. If you would like further information about the programs that Greg will be presenting please contact the office. I would encourage all children to participate in this educational experience. This year our P&C and school funds will subsidise the program bringing the cost down to $5 per child.

Please be aware of our website. It contains information such as our weekly newsletter, general and specific information relating to happenings in the school. Children’s names and photos (photos with names will not be put together) may be published. If this is a concern please contact me.

I have been approached by a community member regarding the dangerous way in which some primary school aged children are riding their bicycles around our community. Please take this opportunity to talk to your child about road safety and responsibility.

Please be aware that for the remainder of Term 2, morning assembly will be held only on Tuesday mornings. This allows more time to be allocated to morning writing groups that are held Monday and Wednesday mornings.

This week is National Reconciliation Week which celebrates the relationship between Aboriginal and Torres Strait Islanders and all other Australians. Every year, the week is held between the same dates, 27 May to 3 June. The dates draw attention to significant historical events. The 27th May marks the day in 1967 when the referendum was passed for the Australian Government to make laws for Aboriginal and Torres Strait Islanders and to allow them to be recognised in the census. The 3rd June marks the day in 1992 that led the Australian Government to recognise native title and acknowledge Indigenous Australians as the original occupants of Australia.
