Last Day of Term 2

PRINCIPAL’S REPORT

Our next P&C meeting will be held tonight, Tuesday 10th June 2014 (week 7) in our library between 7.00pm- 9.00 pm. Please support our P&C by attending.

Thank you for your patience in dealing with the large number of fences erected around our school. Hopefully the tree lopping and pruning will be conducted before the start of term 3. Please remember that these fences are necessary to keep all children and adults who use our school safe.

This is the last week of our visit from the “Life Education Van”. Greg from the van presented to the children lessons that support our PD Health PE program. Each lesson was informative, stimulating and engaging. Each lesson was also designed for its targeted age group. If you would like further information about the programs please contact the office.

Good luck to our dance team that travels to Wollongong this week to participate in the South Coast Dance Festival. Our Dance Team has worked extremely hard under the wonderful guidance of Mrs Pike and Mrs Martin.

At times we need to provide children with replacement school uniforms, for the day, when accidents happen at school. If you have any old but still usable school uniforms that you would like to donate for our emergency clothing pool please send them into the office.

Student reports will be handed out on Friday of week 9. Teachers plan to run their student led conferences in week 1 of term 3. Student Led Conferences are aimed to provide you with an understanding of the level at which your child is working at in their class. It will also give you an understanding of the content of work in which they are working and is a time for you to discuss your child’s progress with your child’s teacher. If at the end of the student led conference you would like more information please do not hesitate to arrange another meeting time.

**LIBRARY NEWS**

Book Club closes today and should be delivered to students by the end of term.

Premier’s Reading Challenge.

Congratulations to the 40 students who have already completed the 2014 PRC. Students have until late August to finish their book list and have it validated by your Teacher Librarian. Students may add books to their list as they read them by logging in to their student portal then the PRC website and adding the books by Title and Author.

MANY students have done a great job of selecting books from their correct Challenge level and adding the 5 of their own choice from any Library books. However SOME students need to be more accurate in their reading choices – they have either selected books from a lower Challenge or have read too many “Own Choice” books.

Research and Learning at home. I have continued to keep updated my website (LinkingU2Learning) where links are added to help students find relevant websites suited to Primary level and suited to our curriculum studies. Many of these websites will be helpful for parents too. The website is at [http://cps.yolasite.com](http://cps.yolasite.com) and no password is needed. It can also be found by going to the Culburra PS school website [http://www.culburra.p.schools.nsw.edu.au](http://www.culburra.p.schools.nsw.edu.au) and choosing the Library link. There are useful links on all 5 pages of the LinkingU2Learning website. The ones most used by students at school are on the Home page and on the Themes page. It’s worth a look!

**Dear Mum,**

I went to a ballet concert and you won’t believe this but there was a dancing kangaroo with a pink tutu and silk ballet shoes.

The kangaroo was dancing like a star.  
The kangaroo was amazing on the stage.  
She jumped like a star and she soared in the wind.

**Dear Mum and Dad,**

Today I went to the ballet. It was fun because I saw a dancing kangaroo on the stage. It was wearing a pink tutu and silk ballet shoes.
