The programs that I have observed this week most certainly represent what the above statement looks like in practice.

On a final note, the evening concert has been sold out. Due to Workplace Health and Safety requirements we are unable to exceed the maximum number of people in the hall. It is vital that prams remain outside the hall (for emergency exit purposes) and that all audience members are seated in their allotted seats. Students will be entering the stage for the finale from various entry points – therefore the point around audience members remaining in allotted spaces has a very strong imperative. If you wish to film your child’s performance you may do so from the back of the hall only – returning to your seat immediately afterwards. Social media can be an issue around school events such as these, whilst I would like you to be able to film and photograph your child/children, it is not appropriate to upload images onto social media of other students at our school.

Kind regards
Melissa Day – Principal

**Boys Basketball**

The boys basketball team played in the NSW top 8 knockout finals yesterday in Bathurst. The team came up against Regentville Public School in the quarter final. It was a tough game against a very strong side and unfortunately they lost 44-26. We then played in the back draw for 5th and 6th place against Franklin Public School. The boys were victorious, winning 40-28 and being placed 5th overall. The boys represented our school and region with great pride and sportsmanship. Well done boys on your fantastic achievement!

A big thankyou goes out to all parents who came along, providing transport and supporting our team. Thank you to Tye Martin for coming as our referee.

Congratulations to Noah, Beau, Sam, Trumelong, Conner, Cameron, Daniel, Dylan, Corey and Myles.

**LIBRARY NEWS**

As this week is our last week of borrowing, I’d like to take this opportunity to thank all students, staff and families for a wonderful first term in the library. It’s been exciting to get to know students and their reading choices, and Mrs McGill and I are looking forward to more next term.

Happy reading,
Mrs Robertson.

**Encourage Fair Play**

Sport and games are a great way for children to learn about team work, rules, winning and losing as well as providing invaluable physical activity. Parents can encourage fair play by:

- Highlighting the importance of trying hard and having fun, not just winning
- Cheering and acknowledging the hard work of both teams
- Talking about the game, not the result
- Avoiding adding pressure to children’s sports – it’s their game not yours
