Wednesday 16th December – Last day of the year for students.

We are now taking Kindergarten enrolments for 2016 – please contact the school during office hours should you require an enrolment form.

Child Protection notes for all classes have been sent out and lessons in all classes will begin next week. The aim of Child Protection education in primary schools is to assist students in developing skills in recognising and responding to unsafe situations, seeking assistance effectively and establishing and maintaining relationships and strengthening attitudes and values related to equality, respect and responsibility. The implementation of Child Protection lessons is a mandatory aspect of our syllabus implementation requirements specifically the Physical Development, Health and Physical Education syllabus with all lesson content being age-appropriate. Please do not hesitate to speak with your child’s teacher with any questions or concerns that you may have.

The Home School Liaison Officer checks all class rolls each term and some feedback from our recent check is a reminder for all parent/guardians to provide an explanation of all student absences within 7 days from the first day of any absence through means such as a telephone call, written note or email, there is currently a high number of unexplained absences so your support in this is vital.

Finally on behalf of the school community, I would like to wish Miss Connolly all the very best for her upcoming wedding. Miss Connolly will be on leave for two weeks (week 4 and 5) with Reading Recovery Lessons to be covered by Mrs Wilson (5/6W teacher and ex Reading Recovery teacher extraordinare). 5/6 W will be covered by Mrs Wilson (casual teacher extraordinaire). 5/6 W will be covered by Mrs Wilson (5/6W teacher) and Mrs Evans (Week 5) from 9:00 – 12:00 whilst Mrs Wilson takes the Reading Recovery lessons before returning to class in the afternoons.

Kind Regards
Melissa Day
