PRINCIPAL’S REPORT

Congratulations to all students who participated in the recent talent quest. There was a wonderful variety of items including the singing of original compositions, dancing, joke-telling, skits and magic. What a talented group of students we have at Culburra Public School. A very big thank-you to the school leaders for coming up with idea of running a talent quest – you did a great job.

2016 Kindergarten orientation began last week with a parent information session and classroom visits organised by Miss Eagle. We are enjoying getting to know our kindergarten students and their families, many thanks to Miss Eagle and staff for their fantastic organisation.

All students who will be attending CPS in 2016 and who returned an order note received their new shirts last week. A very big thank-you to the school P&C for making this fantastic new polo a reality – the kids are looking sharp! I would like all students to wear the new shirt to the Presentation Day on 2nd December, Year 6 students are able to wear their Year 6 polo shirts for the occasion.

I would like to wish all year 5 students who are seeking a leadership position in 2016 all the very best as they present their speeches over the next fortnight.

A commemorative 40th Anniversary Paver order form was sent to all families last week to mark our school 40th next year. There is plenty of time to order but please do not leave it too late as orders will need to be finalised early next year.

Kind Regards
Melissa Day
Principal

K/1E STORIES
On Sunday morning me and Matilda ran into the backyard and climbed up my tree. We got such a shock there was a window in the tree. We looked in and an angry elf shouted at us. We then kept on climbing. Then we found a door and we knocked on the door. A beautiful pixie came out. She had long golden hair and a beautiful long flowy blue dress. We were nearly at the top and we saw a green door. There was a bell so we rang it. A man that had a moon face opened the door. Then we found a cloud with a hole in it, we went through the hole. We found pixie land.

I was walking around in the backyard when a big thump came out of a ginormous tree. I looked up and saw a pixie. She was dancing on her back porch and singing with laughter. I kept climbing up. When I heard a cry come out of a room. I darted into the room. There was a man spilling coffee on his lounge. He talked to me, he was very nice. His name was Moonface. He was sad because when he moved everyone laughed at him.

One day I saw a creative tree made out of Lego. More than 100 bits! It came on like the new movie pixels. 1, 2, 3 still going up the tree. The more I go up the more it gets darker with bits of Lego. When I got to the top it was Lego Land.
