End of year student reports are currently being finalised and will be sent home with students this Friday. You will be notified if your child will be receiving an award at our Presentation Day (2nd December) through an invitation slip placed into your child’s report envelope. After reading all reports I would like to congratulate students on their progress and accomplishments this year.

Toys and Tucker drive- so far we have had a limited response to this Christmas initiative. Last year we managed to make an excellent school community contribution so I would like to than those families who have made a contribution, and ask if you have not yet done so to please contribute a small something to the hamper. The due date will be extended to this Friday your generosity is appreciated and will help those who need an extra hand this Christmas.

All students who have presented a 2016 leadership speech will be notified of the results by me this Friday just before the end of the school day. This has been our traditional practice to ensure our student have an opportunity to process their feelings over the weekend rather than facing disappointment at our Presentation Day. Once again congratulations to all students for their effort in this area.

We will be hosting our annual school Christmas Carols at 12:00 on Wednesday 9th December. Prior to the Carols we will be hosting a helpers thank-you morning tea at 11:20. Our school could not run as well as it does without the help of parents and community volunteers for which we a most grateful. Please come and enjoy a little spoiling!

Kind Regards
Melissa Day
Principal
