PRINCIPAL’S REPORT

Congratulations to our school leaders who attended a leadership afternoon tea with Federal Member for Gilmore Ann Sudmalis at her Nowra office last week. Our students shared ideas about leadership with other students as well as exploring what a politician does in their representative role. I would like to thank Ann for providing this opportunity to the students of Culburra, as well as visiting the school on Friday to hand out certificates to our students who attended the Canberra excursion earlier this year to commemorate their visit to Parliament House.

Planning is currently underway for 2016 classes, if you know that your children will not be returning to Culburra Public School next year please contact the office to let us now – this would be a great assistance in providing accuracy to our planning processes.

The annual stocktake for our school Library will take place in the final three weeks of this term – all books need to be returned to the Library by Week 8. Please have a good look around the home for any books that belong to the school and return them to assist with our stocktake.

A reminder that the school app can be used to inform the school of the reason for your child’s absence. Under the Education Act (1990) an explanation for absences needs to be provided to the school within 7 days from the first day of any period of absence through means such as a telephone call, written note or email. The app makes doing this a fairly simple and efficient means of meeting this requirement. Please remember arriving to school on time and regular attendance patterns reinforces student achievement and wellbeing.

Students are currently working in class groups to complete a mosaic project based on our core values of Safety, Respect and Responsibility. Each core value will be represented in mosaic tiles on a surfboard reflecting our local context. The completed project will take pride of place on the external wall of the school hall. A very big thank you to Karen Knowles for leading this fantastic project.

Our Year 6 school leaders have organised an informal talent quest and students have been busy putting together their acts. Students will take part in short auditions this week and an afternoon performance will be arranged for those acts that progress. When this is finalised you will be notified as parents and carers are more than welcome to attend – best of luck to our talented group of students.

We will be hosting school Christmas Carols on Wednesday 9th December at 12:00 p.m. in the hall. We would love to see you there.

Kind Regards
Melissa Day
Principal
