School Photo Day – envelopes have been sent home

PRINCIPAL’S REPORT

Congratulations to all students who recently received their Bronze Award and 100% Attendance Award for term 1. Whilst we do not wish students to come to school when they are unwell we do acknowledge those students who have been able to attend every day - well done!

We are currently averaging between 7-10 students per day who are signing in as late, this is a significant figure and I would like to ask all parents and guardians to help reduce this statistic. Arriving at school on time is a life skill that will help our students as they enter the workforce. Importantly our students need to be at school on time to have social time with other students as well as ensuring that they receive important daily messages given to all students by their teachers.

We are looking forward to the Indigenous science show, the Jollybops, this Thursday. This is a free incursion for all students.

A reminder that the district cross country scheduled for tomorrow has been postponed and will now take place on Friday 15th May.

The P&C will be operating a Mother’s Day stall this Thursday

the 7th May at 2.00pm and Friday the 8th May at 10.00am. I would like to wish all a fantastic Mother’s Day with family and loved ones this Sunday.

Kind Regards
Melissa Day

Be Healthy – Be Active
Children and adults need physical activity every day. Activity helps build stronger bones, muscles, joints and helps maintain a healthy weight. Physical activity can also reduce the risk of heart disease, type 2 diabetes and some cancers. Illawarra Shoalhaven Local Health District

CULBURRA EXCURSION
Students from our school have recently undertaken an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
