PRINCIPAL’S REPORT

This is the final newsletter for the term, and what a great term it has been. I would like to congratulate the students for their effort this term. Our students have participated in a number of academic, sporting and cultural activities with distinction– well done!

I thank our amazing teachers and staff who work tirelessly to ensure quality teaching practices as well as giving their time so generously to provide the ‘extras’ that result in a very holistic approach to the growth and wellbeing of our young learners, I know that you value their work immensely.

Finally I would like to thank you, our parents and carers for your continued support of our lovely school, this value is reflected in the many interactions that I am privileged to have with the school community on a daily basis – it is greatly appreciated and makes the world of difference to our school culture.

Some of the activities our students have participated in this term are, ANZAC Day March, representative soccer, NRL, hockey and basketball, public speaking training, Creative and Practical Arts groups, Combined Reconciliation and Sorry Day March, NAIDOC Week celebrations, The Art Show, Science Days at Shoalhaven High School, Storm Boy excursion, Choir performance for the Day View Club and Dance Group preparations for Southern Stars next
term, all this on top of the day-to-day learning in the classroom.

Plans by our school P&C are currently underway for a school fete to be held during the next school holidays as well as parent consultation on a new school polo shirt to revamp our current school uniform. All parents and carers will receive a feedback form on the proposed shirt change very early next term, something to start thinking about now……

I would like to thank Janelle Reilly for all her hard work and time dedicated to running the school canteen. Janelle will be finishing up in the canteen at the end of this term, moving on to volunteer work that she is very passionate about – Janelle, we will miss you and appreciate all that you have done in ensuring that our school canteen remains open – as a community we are very grateful and wish you all the best. I am pleased to inform you that a volunteer replacement has been found – Jacquelyn Page-Anderson who has a student in year 4, many thanks for stepping into this position Jacquelyn, the school canteen will be open on Thursdays and Fridays next term beginning week one.

I would like to ask your help in watching over the school during the upcoming holidays, there will be dog club using the school oval during the break with permission and our OOSH will also be operating a fantastic holiday program. These groups should be the only ones accessing the school grounds during the holiday period, please report trespassing to the local police.

Wishing all families a safe and enjoyable holiday, remember term three begins for students on Tuesday 14th July.

Kind Regards
Melissa Day

LIBRARY NEWS

Mrs McGill and I have loved sharing stories, learning and discoveries with students this term, and wish everyone a happy mid-year break. Remember that the Premiers Reading Challenge finishes in August so if your child is participating in this event, the holidays are a great time to knock over some good books! Just keep a record of the titles so we can include them in their verified list next term. Happy reading and look forward to seeing you all again in a couple of weeks.

Happy Reading,
Mrs Robertson.

Barrel of Monkeyz (CBOOSH) is once again offering the voucher packed entertainment books. Books cost $55 with a full $11 going to BOM. This is a great opportunity to help support your local, not for profit, out of school hours care; a service utilized and needed in our community. The books pay for themselves usually with the use of only 2 vouchers. This year there is many new added vouchers just for the South Coast for example: Nowra Steak House, The Butter Factory, Shoalhaven Zoo, Diwali Indian, Nowra Putt Putt, Roxy Cinema to name a few... if you visit these places or would like to; you would definitely benefit by purchasing a book. There is a million ways to save everything from chemist purchases to a day at the spa and everything in between; all the while helping to support your local center and local businesses, it’s a win win.

You can view the book at the school hall between 3-5pm week days. You are able to purchase either the book or an online copy (having it available on your smart phone anytime) The app or the book can be shared between family and friends, so why not join together to buy one!

Contact Jacinta on 0244473069 – leave a message and we will be sure to get back to you. Or via our facebook page - cbooshc Culburra Beach.

We look forward to hearing from you.
