DATES TO REMEMBER

- FRIDAY 19th February
- THURSDAY 25th February

Whole School Assembly – 9.05am in the hall
District Swimming Carnival – selected students only

PRINCIPAL’S REPORT

Congratulations to students, staff and parents for making our annual swimming carnival last Thursday such a great day for everyone. I was proud to hear so much positive feedback from students, staff and parents about the sportsmanship and behaviour of our students.

The annual Parent Authority which covers permission for a number of things such as walking around the local township and publishing of information on various media sites was sent home last Friday (12th) on a vibrant yellow paper – please return this note as soon as possible please. If you have changed address or phone numbers, or the details of your child’s emergency contact details have changed please either use the form on our school app or contact the school directly during office hours.

Congratulations to Reuben Pichler – An Ashton Scholastic prize winner for writing a short story and to Max Vukelic and Chloe Hamshere on their outstanding quality writing pieces that were shared at last week’s assembly.

Students, teachers and visitors have been practising our emergency drills. Our K-2 students had an evacuation drill last Thursday and the whole school will practise lock downs and emergency drills over the next few weeks as part of our emergency plan.

Kind Regards
Melissa Day

ASSEMBLY AWARDS

WEEK 3 – Term 1
KE
Laura / Alyssa

 issa Public School Mission Statement

‘The mission of Culburra Public School is the delivery of high quality education and teaching outcomes which are responsive to the needs of all students and enhance the aspirations and expectations of the total school community’
SPORT NEWS
Congratulations to all the students who participated at the annual school swimming carnival. I honestly believe it was the best carnival we’ve had since I’ve been at Culburra PS due to the fact that so many students were there and the overall running of the carnival ran smoothly. Well done to all the students who went in a race and improved their personal bests! Students who came first or second in each event will be off to represent our school at the district swimming carnival, which will be held on Thursday 25th February at Nowra Pool, with the first event starting at 8:30am. Travel will be private transport and all other relevant information will be on the blue permission note (issued today). I would like to thank our dedicated parents for helping on the day with marshalling, timekeeping, lunch providing, setting up shades and keeping the teachers sane! Without you all, there is no way the carnival would have run as well as it did.

In other sporting news, well done to Jack Lonesborough and Remy Martin who trialled for the district boys cricket and basketball teams respectively. Jack missed out by only two places while Remy was fortunate enough to be selected to represent the Shoalhaven District at the South Coast Regional Trials in a couple of weeks. Good luck Remy.

Yours in sport,
Mr Evans

Quality Work
The Iron Man
Chapter Zero

Once there lived an old man. He lived in a very strange place. It was that strange it was a never island. A never land that was in the centre of the earth.

That iron making man was trying to make an iron person that was monumental. And for this iron person to survive it had to keep eating iron.

So the old man got on to work straight away. This Iron Man would take 20 years to make.

When this Iron Man was finally made it stood up and stared to walk. The old man started to chase him but the Iron Man was just too monumental.

This Iron Man walked kilometres after kilometre. After he walked 10 000 000 kilometres he got to a junk yard that was on the outside of the earth. He found the Iron part and had a massive feast.

Once the Iron Man was awake he started walking again. The Iron Man was walking for 200 days straight.

After 100 days his legs were extremely sore. When he finally got there he had walked 100 000 000 kilometres to the edge of a cliff.

By Chloe 5/6C

Iron Man
At the brink of darkness there he stood on a sandy island. The waves were crashing on his massive iron feet. There his Mum and Dad stood waving and waving and waving. But then he started to walk deeper and deeper in to the deep dark sea.

He was walking under the water of the sea for hundreds of kilometres.

Finally they’re at another island and on this island his brothers and sister left so the Iron Man said goodbye.

Then off he went again.

But then many days later he found himself starring off a massive cliff.
