PRINCIPAL’S REPORT

Congratulations to class 3/4M on hosting our whole school assembly last Friday along with Jonah and Ella. It was wonderful to have class speakers and a high quality item – congratulations!

I would like to congratulate our student leaders for running one of the best Doing Things Together activities that I have seen at Culburra Public School. For those of you who are new to our school the Doing Things Together is a wonderful tradition where our students are grouped from Kindergarten to Year 6 to complete specific activities. On Friday the groups completed rotations to examine what our core values of Safety, Respect and Responsibility looks like in the various areas of our school. I look forward to our students continuing to make our school a safe and respectful environment through responsible attitudes and behaviour. A recent update to our student welfare and discipline approach has been a revamp of our ‘Catch Me Being Good’ slips to ‘Lighthouse’ slips. We are incorporating the Crookhaven Heads Lighthouse which is an integral part of our school logo into our acknowledgement of good behaviour slips hence our rather enigmatic ‘seeing the light’ slides at our recent Friday assemblies. A small, but important change, that connects our school community back to our local tradition. From this week we will be having a Lighthouse draw from each class barrel at our weekly assembly.

The countdown to our two major camps is on. Please ensure that all medical notes are returned to the school by Wednesday 9th March for Curarong – all medical information for the Berry camp should have now been completed online through Sport and Recreation details of which were sent home last week.

It is wonderful to have our school canteen back in action after our enforced hiatus – the canteen will be open on Monday and Friday for the remainder of this term – again many thanks to Cath Cook for taking up the Canteen Coordinator position this year.

Donations to the P&C Easter raffle have been steadily trickling in – many thanks to all families who have made a donation however there is still more donations needed to help make our raffle a great one. Raffle tickets were handed out to all students last week and are due back on Wednesday 23rd March – the day before the draw. Due to camp we will not have a Doing Things Together day to make hats for the Easter Parade to be held on Thursday 24th March at 12 noon in the hall. Hats will be made in individual classes instead.

Information notes about class stalls to be held at the upcoming school fete on 9th April were sent home last week – your help is greatly needed and appreciated.

Culburra Public School Mission Statement

‘The mission of Culburra Public School is the delivery of high quality education and teaching outcomes which are responsive to the needs of all students and enhance the aspirations and expectations of the total school community’
